Community Living Guide

We are looking forward to your being here :)
We will work to make your time with us enjoyable and rewarding.

During our time together we want to create a healthy functioning community where every individual feels comfortable, valued and respected. In order to do so, during our first week together, we will sit down and “communally” create a simple guide for our community living. As we will be a multi-cultural community, cultural sensitivity will be important.

Here are some of the topics we will discuss together:

Sharing household tasks
Waking, Sleeping, Quite hours
Private v Public Space
Our relationship to the local Italian community
Smoking and Alcohol consumption
Romantic Relationships
Conflict management

Whilst we feel confident that together we will be able to create and maintain a great community, if at any point of time, the staff deems a student's behaviour significantly destructive to the our school community and contrary to our community living guide, we reserve the right to expel that student from the school.
